## Grading System of Tongji University

同济大学

TONGJI UNIVERSITY

1. 同济大学本科生课程成绩按五级制评定，课程成绩、成绩等级、课程绩点和百分制成绩折算值的对应关系如下：

1. It is hereby certified that the grading system of undergraduates in Tongji University is divided into five categories. The corresponding relationship between course grade, academic grade, grade point and equivalent score on a 100-point basis is as follows:

课程成绩 Course Grade	成绩等级 Academic Grade	课程绩点 Grade Point	百分制成绩折算值 Equivalent Score on a 100-point Basis
优 Excellent	A	5	95
良 Good	B	4	85
中 Fair	C	3	75
及格 Pass	D	2	65
不及格 Failed	F	0	30

2. 平均绩点计算方法为：平均绩点 =  $\Sigma$ （课程学分 × 课程绩点） ÷  $\Sigma$  课程学分。  
表中全部课程成绩均纳入平均绩点的计算范围。

2. GPA is derived as follows:

$$GPA = \Sigma (\text{course credits} \times \text{course grade points}) \div \Sigma \text{course credits.}$$

All scores listed in the transcript are included in the GPA calculation.

3. 全部课程的百分制平均成绩按以下公式折算：全部课程的百分制平均成绩

3. The total average score on a 100-point basis is calculated by applying the following formula:

$$\text{Total average score on a 100-point basis} = \Sigma (\text{equivalent scores on a 100-point basis} \times \text{course credits}) \div \Sigma (\text{course credits})$$

4. 英文成绩单中“\*”表示“缓考”。

4. “\*” in English Undergraduate Student's Academic Record refers to “delayed exam”.
